DESIGN & TEACHING

Web Designer — *Portland State University*

2017 – Present

- Project-manage, design, and implement improvements for myPSU, the student-facing web and native app
- Provide strategy, interactive prototypes, and UX / UI designs for PSU web properties including the Library, myNextSteps, PDX.edu, and Campus Map
- Conduct research, including user sessions and focus groups, to support design decisions

Instructor — *PNCA, ITT Tech*

2010 – 2011, 2019

- Created curricula and taught web design, graphic design, and web development to adult learners
- Emphasized the development of students' personal aesthetics, healthy collaborative relationships, and critical skills

Designer / Strategist — *Planet Argon*

2011 – 2017

- Facilitated multi-day design sprints and strategy workshops for internal products and client projects
- Visual Design for local and national clients, including Converse, McMenamins, The Oregonian, and Applegate
- Fostered community engagement as non-profit liaison and Diversity Change Agent

HUMAN SERVICES

Community Services Specialist — *Home Forward*

2020 – 2021

- Assisted in the development, from theory of change to mission and plan, of Home Forward Community Partnerships, the agency's 501(c)(3)
- Designed and led a participatory community needs assessment; recruited participants, conducted focus groups, and analyzed qualitative data
- Developed a Trauma-Informed toolkit to assess policies and procedures

Therapeutic Mentor — *Greater Than, Reynolds HS*

2019 – 2020

- Conducted assessments and provide brief therapeutic interventions for high school students from poverty-impacted communities
- Connected students with school- and community-based resources
- Co-created and co-facilitated expressive therapy curriculum with art instructor as well as after-school academic support group
